ASSAM – GATEWAY TO THE NORTH-EAST

Assam, also described as the Shangrila in the North-East India is the gateway of the North-East. The word Assam is derived from the Sanskrit word 'ASOMA' meaning peerless. Known as Kāmarupa or 'Pragjyotish' in the period of the Epics, Assam is inhabited by human civilisation since about 2000 BC. The people is a broad racial intermixture of Mongolian, Indo-Burmese and Aryan origin.

In the post Independence period of India, Assam witnessed several separation of territories. In 1963, Nagaland was separated. In 1972, Meghalaya and Manipur were separated. In 1987, Arunachal Pradesh and Mizoram were separated as well. Assam is situated in North-East of India along the international border with Bangladesh, Bhutan and adjoining other states of north-east.

Economy of Assam is mainly based on agricultural products. Artist and sculptors, masons and architects, others practicing minor crafts such as weavers, spinners, potters, goldsmiths, artisans of ivory, wood, bamboo, cane and hide flourished in in Assam from ancient times.

The main language of Assam is Assamese. Assam observes Bhogali Bihu, Rongali Bihu, Kati Bihu, Janmashtami and Durga Puja festivals. Rongali Bihu, the main Bihu festival, in the month of April.

Assam is the most easily accessible state among the North-East states. It grows 60% of India's Tea and produces a large proportion of India's oil. The Endi, Muga and Pat are the important silk products of Assam.

For tourists, the best time to visit Assam is during the winters and spring seasons. The tourist spots are Kaziranga National Park, Mānas National Park, Pobitora National Park, Dibru-Saikho Wildlife Sanctuary, Jātgañ etc., historical places like Rang ghar, Taletal ghar, Kareng ghar, Agnighar, Madan Kamdev Kāmakhya temple, Nabagraha temple and cultural places like Majuli and Barpeta. The mighty river Brahmaputra is also an attraction for tourists.

Total Geographical area of Assam is 78,438 square kilometre.
